Dear Sir:

President Falconer has been confined to his house for over two weeks with bronchitis, but he has directed me to thank you for the kind invitation of the President, Officers and Council of the Ontario Bar Association to dinner on Thursday, March 4th and to say that he hopes to be well enough by that time to attend, and to say a few words after dinner.

Yours sincerely,

President's Secretary.

Sir George Garneau,
Quebec.

My dear Sir George:

I am writing to you to say that the Bonne Entente Prize this year was awarded to Miss H. M. McCrimmon of Whitby. I am told that Miss McCrimmon is an excellent French scholar, having spent some time in France, and I am sure that she will fulfil the conditions of the prize most worthily, and I hope be a living link between the two Provinces.

With most pleasant remembrances of your kindness to me when I was in Quebec, I am,

Yours sincerely,

President.

Dear Sir, —

I have just repeated my second year work in the Political Science course, being registered in University College.

I am not altogether certain of my examination results and make this appeal for further consideration as regards my examinations. Two reasons

in this matter.

Hoping that you will give this appeal due consideration

I am

Yours very truly

for this appeal are here given.

I have been sick in bed for a week and away from school for ten days with the "flu" during the early part of February.

During the month of March I was summoned home to be at the bedside of my father who died on April 8th. The shock and worry after this influenced my study for the examinations.

I shall be glad to give any further information desired

May 14th, 1920

Mr. F. S. Gault,

Toronto.

Dear Mr. Gault:

I greatly regret to know that illness has interfered with the work of your classes and examinations. I would advise you at once to apply to the Registrar for a form of petition and to supply him with all details with regard to your illness. If you have a doctor's certificate that will be all the better. I am sure the committee will give as much consideration as they can to you in your unfortunate circumstances.

Yours sincerely,

President.

Toronto.

Dear Mr. Gillies,

You will remember that the Canvass in Toronto for the University War Memorial Fund was suspended last May by reason of the bringing on of the "Big Four" Campaign. We have decided to resume our canvass as soon as possible and to have it completed before the Victory Loan Campaign opens at the end of October. In order to make our efforts a success we need the fullest co-operation of our friends who realize the great importance of this Memorial Fund. On account of the interval some changes in the organization have become necessary, and we must secure strong men to lead our committees. Our Executive Committee is very anxious to have you undertake to act as Captain of a Team. I hope that you will be able to participate with us in this way in order that we may realize our expectation of providing a Memorial that will show our appreciation of the sacrifice of our fellow Alumni and students of this University.

You will hear from Mr.Cassidy immediately as to the time and place of the meeting of the leaders.

Yours sincerely,

My dear Godfrey:

I am sorry that it will be quite impossible for me to go to Philadelphia for March 26th and 27th, as on the 31st I leave for the West and owing to an attack of influenza, which laid me aside for about three weeks I shall be very busy until I leave.

I hope that you and Mrs. Godfrey have kept free from the pest this winter. We have had rather a hard time but are getting better now.

With kind regards, I am,

Dear Mr. Goodrich:

I do strain that I could not undertake to give a definition of the ideal Y.M.C.A. The work of the Y.M.C.A. should at this time have proved itself as so valuable to the young men of the community that it should require no explanation of any citizen who is at all acquainted with it.

To Sir Robert Falconer,

Dear Sir Robert;θ

If, any time during the next year, you are in the Maritime Provinces, would it be possible for you to come to St. Stephen, tN. B., to speak under the auspices of the Women's Canadian Club of St. Stephen?

While we are not a large community, you would find a very appreciative audience awaiting you.

Sincerely yours,

Janie M. Gordon

Sir John Falconer
President - Toronto University -

Dear Sir. John -

I am disposing of my Library. In it I have fifty years of Blackwood's Magazine - 1864 - 1914 - 20 bound volumes the remainder in single copies - I thought it might be of value either for your own or the University Library - Would you make me an offer for it - I should let you have it very reasonably - If it is of no value to you could you advise me what to do about it. as I am giving up my home & it is useless to pack away my books - I have also Reviews - London Quarterly - Westminster - North British - & Edinburgh - all bound volumes - 1867-68 - Debates in House of Commons Canada - bound - 1877-78-79.

and numbers of other books which I do not know what to do with--

Hoping there may be of use to you--

Yours very truly

Dear Mrs. Graham-Murray:

I have made inquiries of our Librarian as to the usefulness of the reviews about which you have written to me, and I find that all those you mention are accessible to our students, and that he does not think that the Library requires any additional volumes of the sets that you mention.

I am afraid that I am unable to give you any advice as to what to do with these Quarterlies. Would it not be well in the first place to correspond with President Mackenzie of Dalhousie and the Heads of the other Colleges in the Maritime Provinces for probably they would be glad to avail themselves of some of the sets?

Yours sincerely,

President.

The Passenger Agent,
Grand Trunk Pacific Railway,
Winnipeg, Man.

Dear Sir:

I write to ask for reservation on your line from Winnipeg to Edmonton for Sir Robert Falconer who is going to Winnipeg via the Canadian Pacific Railway as he has to stop off at Port Arthur.

He wishes a return ticket from Winnipeg to Edmonton and a lower berth on the train leaving Winnipeg on Friday, April 2nd, at 6:30 p.m. for Edmonton.

He leaves Toronto on March 30th.

Will you please let me know the amount of these tickets ? I shall then be glad to send a cheque for the amount and have you send on the tickets, or would you advise holding the reservations until Sir Robert reaches Winnipeg, which will be at 2:35 p.m. on Friday, April 2nd ?

Yours sincerely,

President's Secretary.

T. Geddes Grant, Esq.,
Port of Spain,
Trinidad.

My dear Geddes:

I am approaching you on most you may think is a very curious request. Our Department of Preventive Medicine needs monkies in order to conduct some experiments and investigations in regard to certain diseases. The monkey is a very rare bird in these quarters and he is snapped up in San Francisco or New York at once by the big scientific institutes. It occurred to me to-day that we might get some through St. John or Halifax from South America. I remember in my boyhood having seen many of them up the Orinoco. Do you know any means whereby they could be procured for us in Port of Spain and shipped up on the Royal Mail Steamship Company's line? I should be much indebted to you for any information you can give me in regard to this.

We had Clifford, or Hilliard, I never can remember which, over to tea one afternoon shortly before the holidays. He is a fine looking boy and I should think very bright. He reminds me a good deal of Fred.

We had a card from Edith the other day for which will you please thank her ?

I hope you are all well.

Yours as ever,

President.

Professor Greene,
Department of History,
University of Illinois, Urbana, Ill.

My dear Professor Greene:

I wonder whether you would be kind enough to make some confidential inquiries for me ? Professor H. S. Pickett of the Department of Pomology in your Faculty of Agriculture has been suggested to me as a suitable man for our Department of Rural Economics. I do not know him. Could you find something about his qualities as a man, a scholar and a teacher ? I wish to have some accurate information and perhaps you could secure it for me. The matter is somewhat urgent. With pleasant memories of our meeting in Bloomington, and with kind regards, I am,

Yours sincerely,

President.

My dear Professor Greene:

Many thanks for your letter giving me information with regard to Professor Pickett. I am much indebted to you. I am afraid, however, that his qualifications in Economics are not quite sufficient for the position that we wish to fill. This information I have received from other sources.

Yours sincerely,

President.

President, University of Toronto.

Dear Sir,

The Art Gallery of Toronto is arranging for a Loan Exhibition of Toronto owned pictures for the month of January, next, and Prof. Mavor, the Chairman of the Committee in charge has asked me to write you to inquire if it would be possible for us to borrow the following portraits:-

President Louden,	by Sir Wm. Orpen
Prof. Ramsay Wright,	by Arnsby Brown
Prof. Mavor	by Horatio Walker
Napoleon	by Hugh Glazebrook.

Our Gallery is fire-proof, and we insure the pictures in Lloyd's England, from the time they are taken from the walls until they are returned, and our man, an expert in handling pictures, will attend personally to their removal.

I have spoken to Sir Edmund Walker, the Chairman of the Board of Governors, and he is willing that permission should be granted the Art Gallery of Toronto to have the pictures you mention, namely,

President Loudon	By Sir Wm. Orpen
Professor Ramsay Wright	by Arnesby Brown
Professor Mavor	by Horatio Walker
Napoleon	by Hugh Riazecrook

H. Hyly Grier, Esq.,
73 Gormley Avenue,
Toronto.

Dear Mr. Grier:

Your son's application was carefully considered at a Committee of the Council and I regret to say that the Committee was not willing to reverse its decision. To have done so would have been to take up and adopt a different principle with regard to your son from that which had already been acted upon in several other cases.

They inform me also that not only was he deficient in one or two subjects which were necessary for entrance to the second year, but even for the first year there were some deficiencies. They believe that he will get much more satisfactory results in taking the first three years of the course than the last three.

I am,

Yours sincerely,

President.

Dear Mr Griffith;

There are several of our professors who have been in Britain for the summer or longer, who are now finding great difficulty in securing a return passage. It is necessary for us that they should be on hand at the opening of the session. I know both that you are flooded with requests for help and that the steamship companies finally take thrir own way; but if you can give our people any help I shall greatly appreciate your kindness. At the moment I am thinking especially of Mr John Satterly and his family, who have their application in at Cook's.

Please excuse my type-writing which as an amateur I am doing in northern Muskoka.

With kind regards I am yours sincerely,

President.

Dear Miss Gunn:

I am very sorry that I have an engagement for Thursday evening, 25th November, which was made some time ago and which I am not able to change. Therefore I regret exceedingly that I shall not be able to be with you. It would have been a great pleasure to me to be present and to say a word to the nurses. Will you kindly express my deep regret ?

Dear Mr. Gunn:

I am sending on your letter with regard to the residence of the late Mr. Matthews to Sir Edmund Walker, who is the Chairman of our Board of Governors. Such a matter as this would have to be taken up by the Board, and he will doubtless bring it up at the next meeting. Personally, I am inclined to think that the Governors would not be able to consider buying such an expensive property.

Yours sincerely,

President.

Rev. W. T. Gunn, D.D.,
33 Victor Avenue,
Toronto.

My dear Dr. Gunn:

I greatly appreciate the compliment paid to me by the Canadian Committee in asking me to give an address for Canada at the International Council to celebrate the tercentenary of the Landing of the Pilgrim Fathers. It would be not only an honour to me to attend, but also a great pleasure. However, I have been very busy and am rather tired, and I hope to get away for my holiday about the beginning of July. That would involve cutting my holiday short by nearly a week I am afraid. If I felt that you could get another thoroughly representative Canadian for this special work of course I would be glad to make the effort, but I feel sure that there are several quite as representative Canadians as I for that occasion.

Again thanking you and with kindest regards,

I am,

Yours very sincerely,

Mr Lancaster but did not do so. My son saw Mr Lancaster & he in turn saw Dr Cowling and after making an unfruitful statement refused to do any thing. The student saw Dr Cowling last June. He the mailer & instead of hearing him he caused himself entered a professors room without the latter's consent & Mr Lecombe's office leaving the boy standing waiting for him. Later the boy found him talking & Mr Lecombe on another matter. The whole difficulty arose from the fact that the boy boarded at home and had one hour only for lunch and was then 5 & 10 min. late for Dr Cowling's lecture — all of which he attended. He was not given credit for attendance
